

# Cute Moves Camp Policies

- Parents must conduct their own health assessment of their child prior to arrival at the studio. If they're feeling sick, please stay home.
- Depending on conditions, we may require students who are not vaccinated to bring a negative Covid Test result on the first day of each week.
- Students should not enter the building until 10am. Parents and siblings should wait in their cars until 10am instead of inside the studio.
- Everyone will have temperatures taken and are required to sanitize their hands upon entering the building.
- Students need to arrive at the studio ready for camp. Changing in the bathrooms is not encouraged.
- Everyone **must wear a mask to enter the building**. During dancing/exercising masks for students are not mandatory and may be lowered. Please advise us if you prefer your child to keep their mask on. Instructors will wear masks and/or face shields at all times.
- Studio Floors, Mats, and props are being disinfected with a commercial/hospital grade disinfectant following manufacturing guidelines. All surfaces will be regularly disinfected. Any props/craft supplies required **will be issued to individual students** and **MUST NOT BE SHARED**.
- When entering the classroom, Students will be directed to stand 6 feet from others. Students will be assigned a 6 foot space along the wall to store backpacks/personal items and water bottles.
- Students must not leave the classroom without permission, and must notify Instructors if they need a bathroom break. Bathrooms will be disinfected after each use. **STUDENTS MUST WEAR THEIR MASK WHILE IN THE HALL AND BATHROOM**.
- Breaks will be directed by the teacher with instructions given to ensure proper social distancing is maintained. Students must bring individual lunches to be eaten only during lunch break. **NO SHARING FOOD**.
- Water may not be available for purchase. Students must bring their own water bottles.

Thank you for your continued patience and understanding with all these changes. We appreciate everyone's commitment to safety and we can't wait to see you at camp!
